**Prior to the lecture at 7.45pm you are warmly invited to attend the AGM of
the Cam Valley Forum at 7.0pm.**

Are we water wise?

**Meeting the freshwater resource needs of people and wildlife:
the local and global imperative.**

Catherine Moncrieff

Catherine leads the UK rivers team at **WWF**. She is influencing policy and practice to improve the way we manage water and protect our precious rivers and wetlands. Previously she worked on WWF's international freshwater programmes in East Africa, China, India and Brazil - providing strategic oversight, technical advice and facilitating knowledge exchange. Catherine trained as a hydrologist and spent the beginning of her career based in Cambridge, working on international and UK-based water and environment projects.

The AGM will be held at 7.0pm
